# GROWSPAN SERIES 500 TALL GREENHOUSES ARE OUR MOST ECONOMICAL, EXTRA-TALL GREENHOUSE DESIGN

The Series 500 Tall Greenhouse provides the ideal growing environment for increasing your crop yield, quality and profitability by up to 50 percent. These greenhouses can be built anywhere and enable you to maximize your business potential.

## The GrowSpan Series 500 Tall Advantage:

- Extra-tall height for maximum growing space.
- 20', 24', 30', 35' and 42' widths - With American made triple-galvanized structural steel frame.
- Sun Master® Film - 4 year rated double-layer film retains heat and provides drip control by preventing condensation.
- Multiple purlins for structural strength and versatility.
- Larger volume for less humidity and easier environmental control.

- Turnkey stock options or design-build solutions to meet state and local building codes.
- Optional ridge vent package - Limits temperature and humidity fluctuations.
- "Twist-of-the-Wrist" Assembly - Used for both Roll-Up and Drop-Down Sides.
- Extend the growing season and improve quality.
- Easy to seal curtains for added weather protection.
