GROWSPAN SERIES 1000 COMMERCIAL GREENHOUSES COMBINE UNIQUE ARCH DESIGN WITH **SUPERIOR STRUCTURAL STRENGTH**

These greenhouses are the go-to option for growers looking to maximize their business's profitability. The unique design allows growers to reduce start-up costs and operational expenses without sacrificing quality or functionality. The Series 1000 is energy efficient, features limitless customizations and is an ideal choice for growers of all kinds.

The GrowSpan Series 1000 Commercial Greenhouse Advantage:

Extra-tall 8', 10', 12', 14', 16', 18' and 20' wall heights for maximum growing space.

21', 24', 30', 35' and 42' widths -With American made triple-galvanized structural steel and double poly film covering.

8" wide gutters and drip gutters for clean, dry walls.

Base plate system offers flexible anchoring options.

Arched-roof design - Strong, double layer system.

Turnkey and stock options or design-build solutions to meet state and local building codes.

Optional vent packages - Ridge vents, side vents, gable vents or curtains allow for a completely controlled environment.

Integrated aluminum flashing and foam weather stripping for low energy costs.
